

DONORS HAVE SEVERAL OPTIONS TO SHOW SUPPORT

Cash Donations

A cash donation is simple to execute and has immediate impact. It supports the most critical item that must be settled today, which, if not addressed, can place the business at risk.

Silent Auction Donations*

Your gifts valued up to \$299 will generally be placed on our silent auction tables. Gifts valued over \$300 may be offered at the live auction.

Live Auction Donations*

Gifts valued over \$300 will be placed in an area set aside expressly for our live auction challenge. Donors who present gifts valued at over \$500 may be visibly recognized with the donor's name or company name and logo at the event.

*An auction item may be combined with other auction items and offered as a package.
